U.S. 1ST CIRCUIT COURT OF APPEALS

Criminal Law & Procedure, Sentencing, Evidence

US v. Barnes, No. 11-1093

In this case, the Supreme Court granted defendant's certiorari petition, vacated this court's previous judgment, and remanded to this court for reconsideration in light of *Alleyne v. US*. Defendant's sentence is vacated and remanded for resentencing, where: 1) the *Alleyne* error involving the 210-month prison term is not harmless; and 2) defendant preserved the *Alleyne* error regarding the 5-year supervised release term, and so harmless-error review controls.
